

QUESTIONS

1. What great event, foretold by Jeremiah, would take precedence over the historical importance of the Exodus out of Egypt? What does this say about the significance of this event?
2. How does God's Lordship over Creation help us understand His power over human affairs and man's powers over God's plans?
3. What is an example of a "great and unsearchable thing" that has been revealed to us by God?
4. Why is God concerned when people misunderstand His nature?
5. What would become of the fatalistic proverb that reflected the people's sense of helplessness and doom (31:29-31) and how would you characterize the people around you today with regard to a fatalistic outlook?
